SAFETY AND SECURITY LITERACY YEAR

The Literacy year 2022-2023 Safety and Security Literacy year is very relevant and vital in today's scenario. Security and safety challenges are the most important issues of modern times. Safety is an important part of life that people sometimes overlooked until it costs them money or personal discomfort. Safety and security represent many things, including a stable income, consistent housing, clothing, and food supplies as part of the predictability of daily life, protection from crime, and psychological security. Security and safety challenges rank among the most pressing issues of modern times, Challenges such as, Women Safety, Financial Safety, Cyber-safety, Road Safety, Food Safety, Safety from environmental hazards etc., impact our lives in different ways. Facilitated by developments such as globalization and the spread of technologies, new safety and security challenges arise. Our theme of Literacy year for the academic year 2022-2023, will help our staff and students to understand complex modern-day safety and security challenges and the ways to deal with them.
