Sub:- Award of "Colleges with Potential for Excellence "(CPE) Status during XII Plan period under the CPE Scheme.

Sir/Madam,

This is with reference to the Interface meeting held in the UGC office from 27.01.2016 to 30.01.2016 with the Expert Committee on "Colleges with Potential for Excellence "(CPE) to approve the action plan and budget of colleges during the XII Plan period under the CPE Scheme.

I am pleased to inform you that UGC has approved the College with Potential for Excellence "(CPE) Status to your college under the CPE Scheme for a period of five years. The CPE status will be effective from 1st April, 2016 to 31st March, 2021 subject to submission of following certificates/undertaking from the college:-

- 1) Declaration that the salary of teaching and non-teaching staff is being paid by the State Government (along with documentary evidence).
- 2) Undertaking that CPE funds will not be used on un-aided/Self-financing departments/ courses of the college.
- 3) Certificate to the effect that provisions laid down in the CPE guidelines will be strictly adhered to.
- 4) Delinking the plus-2 courses, in case of composite colleges.

Pertinent to mention here that during Interface meeting it was observed that some of the colleges have ambiguity about delinking the plus-2 courses from the colleges. In this connection, it is to inform you that as per the XII Plan CPE guidelines, If a college is a composite college, it should take immediate steps to delink the plus-2 courses from the college.

It is reiterated that 1st instalment of grant under the Scheme will be released to the college only after submission of above documents.

With warm regards,

Yours sincerely,

(Dr. Nisar Ahmad Mir)

Skill-Education SkEd

Today the buzz around life skills education for girls is at an all-time high. SkEd aims to satisfy the core needs of students, recent graduates and experienced professionals, whilst meeting the needs of society, community and tradition. All these are designed specifically to optimize the career development and traditional-to-modern cultural exchange along with the main intention of providing a wisdom fusion.

Attaining a degree is a sign of formal education but it no more always guarantees individual growth, social stability or financial security. Skill education is the need of the hour for outcome-based learning that respond to global reality and learner's aspiration. With a goal to create opportunities, space and scope for the development of the talents of the students and to enhance their technical expertise, L.A.D & Smt. R.P. College focuses on Skill Education as one of its pillars.

Skill education initiatives will help actualize the inert potential and development, for which the younger generation is much aspiring for. This can be partially achieved through focus on advancement of skills that are relevant to the emerging economic environment and also maintaining the original Indian Culture.

A need based following list of feasible courses of skill development shall fulfill the desire of achieving the talent as well as oscillating between the need and hobbies.

Life skills-based education is a form of education that focuses on cultivating personal life skills such as self-reflection, critical thinking, problem solving and interpersonal skills. These skills include many attributes like good communication skills, positive approach towards challenge, general awareness, approach to lifelong learning, self-discipline and time management, sense of initiative, sharing and teamwork, stress management and much more.

The College established 84 years ago with only seven students in the Faculty of Arts today has student strength of 4,500 students studying in five different faculties in a multilingual and multicultural environment.

This 84 year old institution has a long list of proud and illustrious alumnae spread all over India and in the globe. They are associated with almost all spheres of life and have captured one pinnacle of success after another. These alumnae are linked up with their alma mater through their subject teachers and faculties and coordinate with them in various academic and other activities. They share their expertise, experience and knowledge with the enrolled students and other former students through the Alumnae Association.

The Alumnae Association was formally inaugurated on 18 December 2001 at the hands of Mrs. Molina Tipnis, the then President of All India Air Force Wives' Welfare Association and an alumna of Home Science Faculty. This function was graced by her better half Air Chief Marshal A.Y. Tipnis. The Alumnae Association has now grown in strength and is lending a helping hand to the students and the College in its further march towards development.
