Rain water recharge at L.A.D. College and PGTD Hostel premises at Gandhi Nagar during the month of July 2022:

NSS Unit – I installed water recharge pipes at L.A.D. College Shankar Nagar premises. For the installation of Pipes, all the pits were once a dug by NSS Volunteers and Mrs. Maya Meshram as a part of shramdaan. During the installation of pipes it required rock material, fine net so that any creature can't be hiding into the hole. This pits called as a soak pit, for as long as it rains, will keep draining water into the ground. This will raise the water level temporarily as its point. Once it fills up, the pit starts bearing the water's weight, cushioned by the earth below. This weight loosens up the soil beneath and new pores open up from water to recharge.
